PLANS FOR
NIGHT AT THE LIBRARY PROGRAMS

On Sunday, February 19th, 2012,
we plan to show a very interesting DVD
entitled:

ASIAN AND PACIFIC PRESENCE: HARMONY IN FAITH
produced by Oblate Media.

It is an hour documentary on the Catholic presence and impact in the United States of people from the East (Philippines, Vietnam, China, etc.).

It is a perfect introduction to the importance of being aware and appreciative of other practices and approaches to the celebration of our Catholic Faith.
In collaboration with the Multi-Cultural Ministry we would like to plan a series of other Night At The Library Programs inviting our own parishioners who may be willing to share with us the history, cultural differences, and unique Catholic traditions of their native countries.
Everyone is welcome to participate
and
the Library can provide the resources and the support to get a presentation together.

All Saints Parish Resource Library
Bi-Monthly Newsletter

Vol. 9, No. 4 January 2012

A New Year approaches and many Christians resolve to more faithfully read the Scriptures.
Here's an idea to consider:
Why not begin the New Year
"In the beginning?"
The book of Genesis (literally "Beginnings") beautifully initiates God's love story for the world.
Unfolding before us is the indescribable glory of the transcendent Creator who speaks life, light and order into the chaos.
It is also the story of the intimate Father-God who calls and guides His people...
Even the very imperfect ones!
Through the stories of our forebearers God begins to weave the tapestry that ultimately reveals the face of His Son.
The Library Display Case for January
Offers many resources to get you started.

NEW POLICY

The original Policy and Procedure Manual for All Saints Parish Resource Library written in 1984, when we moved into the new Kamel Life Center, was revised and submitted for approval in 2010, but the final edition is yet to be published since a significant revision of the Selection Policy was requested by the Parish Administration.

Any purchase or gift to be added to the Library Collections will have to fulfill the guidelines of this new Selection Policy and when in doubt of its Catholic content the item will be reviewed by members of a Committee that will probably be in place by the end of January. Proposed members for this Committee are:
Dr. J. Marianne Sigmund, Deacon John Costello, Jason Surmiller, Sidonie Reynolds and Mary Ann Rumbo.

The Policy applies also to items sold on the PACE Monthly Book Table and the Annual Library Book Sale held in February (Scheduled this year for the weekend of the 18th-19th).

Please pray for the success of this new approach to Collection Development and expect a significant and natural slow down in the acquisition and processing of materials in the future.

Personal orders will be gladly made for our patrons as always, but if the item does not conform to the new Policy it cannot be added to the Library Collections.
