Fall, 2009

My Dear Friends:

Thank you for considering All Saints Catholic School as a possible choice for your child(ren). Our emphasis at the school is to provide a welcoming, nurturing, family environment in which these young boys and girls entrusted to our care have an opportunity to grow and develop not only the mind but, just as importantly, the soul and body as well.

A very devoted faculty and staff work with the parents in seeing that the children have every occasion to grow in grace, wisdom and age (Luke 2:52), thus addressing the needs of the whole child.

Know that you are most welcome to come, tour the school and see for yourselves what a nurturing place All Saints Catholic School really is. We hope to have you as part of our family of faith, hope and love. I look forward to meeting you very soon!

Sincerely yours,

Father Tom

Dear Prospective Parent(s):

"All Saints Catholic School exists to pass the Catholic Faith to our children in a challenging academic environment with Gospel values as a foundation and Christ as the model"

(Taken from the All Saints Catholic School Mission Statement)

This quote, taken from Our Mission Statement, is the heart of our school. Everything we do as a school community has at its center our love for the Catholic Faith and our desire to follow Jesus as our model for life. From that starting point everything else flows; a desire to give our students a foundation for their life; rigorous academics, athletics to build character and strength of body, and an environment in which each child is encouraged to develop their God given abilities.

All Saints Catholic School is accredited through the Texas Catholic Conference Education Department and in 2006 received Blue Ribbon status through the United States Department of Education. We have students in Kindergarten through Eighth grade and our average class size is 18-20 in the primary grades and 22 in the intermediate and middle school grades. We are privileged to have a Chapel with the Blessed Sacrament and our students are encouraged to make frequent visits to Jesus. In addition to our academic program we offer a wide variety of enrichment activities including Orchestra, Band, Foreign Languages, and Art to name a few. All Saints is also a member of the Diocesan Parochial League and we participate in a number of sports activities.

As you consider the next step for your child's education, please consider All Saints Catholic School. We invite you to visit the school at one of our Open Houses or make an appointment to visit with me or with our Director of Admissions. We want to answer your questions and make you feel confident in your decisions concerning your child's education.

Peace,

Sister Denise Thompson

Principal

The parent(s) or guardian(s) acknowledge that the receipt of the application does not guarantee any admission as said admission is subject to ASCS policies, procedures, guidelines and availability.

NON-DISCRIMINATORY POLICY

All Saints Catholic School (ASCS) admits students of any race, color, national and ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. ASCS does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship programs, athletic, and other school-administered programs.

PARENTAL WITNESS STATEMENT

As the parent(s) or guardian(s) of the student applicant named hereinabove, I (we) acknowledge and accept my/our privilege and responsibility to be the primary religious educator of my child. I(we) understand the Catholic School is a way in which my Church seeks to share and assist me in my vocation. However, I(we) know that no matter how clearly and effectively the Catholic School communicates the truths of our faith, unless my child sees these truths take flesh in our family, then there is little hope that the Faith will take root in their hearts. I(we) believe that the Catholic School can deepen, enrich and reinforce a Faith that my child experiences in their home. I(we) understand my/our own witness as essential to the religious development and growth of my/our child.

Aware of the dignity of my call from God and with a reverent awe for the responsibility that is mine, I commit myself to be in word and deed the first teacher of my child.

Dear Parent/Caregiver:

To insure a successful start to your child's academic journey, we use a program called Kindergarten Readiness Test, KRT. The KRT screening will be held in January, 2010. Please plan about 30 minutes for the entire process. The KRT is administered individually to each student. Several children are scheduled during each time period and parents may wait in the lobby.

We look forward to meeting and working with your child. The day and time for our KRT testing is listed below. Please list your first and second choices for testing day and time. You will be notified of the actual time and date by the ASCS office. Please plan to be at the school 10 minutes prior to the scheduled testing time.
