

ASCS Scrip Family Goal

Our goal for the 2010/2011 school-year is to raise over \$50,000 for All Saints Catholic School. To do this, each ASCS family would need to generate \$200 in Scrip profits over a 12 month period (based on 250 ASCS families).

Monthly Family Spending	Spending Period	Return from Retailer	Total Family Profit
\$333	12 months	5%	\$200

A family who contributes at least \$200 in profit through Scrip purchases between May 1, 2010 and April 30, 2011 will receive a \$50 credit toward their HSA dues/fees for the 2011/2012 school year.

Don't worry, we will provide you with lots of ideas for Scrip use throughout the school year so that you can meet your family goal.
